

First Annual LCH Poker Run Event

25 Horses and Riders Attend/Three Way Tie for First Place !

On Saturday, June 19, 2010, the Limestone Creek Hunt, Inc. (LCH), a non profit 501(c)(1) organization held their first annual Poker Run Pace at the farm of Judy Sears in Cazenovia, New York. The purpose of the event was to promote rider education in best practices of land use including how to respect wild life, property owners' lands and livestock while riding and conditioning their horses. Following a well marked trail, riders in teams of up to 4 covered a 7 mile course over beautiful private country land. Teams received playing cards at points on course developing a poker hand. Teams completing the trail at a pace closest to a predetermined optimum time and bringing in the best poker hand won prizes. This event was sponsored by J&J Feeds of LaFayette, Tops Markets, The Show Trunk and the Brae Loch Inn of Cazenovia.

Prizes were awarded to the following teams: For additional information about LCH and future events: www.limestonecreekhunt.org
